3. **Commission Structure**
 - 5% commission will be given to the NNC holder on maintaining minimum 30% wallet and stock (maximum hold of Rs. 30,000)
 - 8% commission will be given to the NC holder on direct sales and 3% on indirect sales on maintaining minimum 30% wallet and stock. (maximum hold of Rs. 50,000)
 - All Centers are to maintain a ratio of 70% and 30%, utilizing of complete wallet and stock till 70% and rest 30% shall be autolocked.
 - All centers have to increase the stock and follow the new guidelines in order to receive the increased commission slab, lest the center shall be degraded to the lower option.
 - All centers have to add new launched products as and when the products are launched.
4. The above mentioned calculation shall be based on the Striker Price (SP) less all applicable taxes on the calendar month basis i.e. from the 1st working day to the last working day of the respective month towards the local sales punched by Center.
5. Details of shortages / damaged / leaked products received through courier / transport in unsealed / damaged condition should be mentioned on the courier receipt copy. Photocopy of the same with a covering letter should be forwarded to centre for replacement / no replacement will be given without this document.
6. Damaged / soiled / short products should be immediately informed within 24 hours of receiving goods and sent back for replacement within 15 days of receipt. Once the defective are received at the Corporate / Branch Office only then the replacement will be entertained. Moreover the stock near to expiry should have minimum 6 months to the expiry date in order to be applied for exchange.
7. Company will operate one NC in one district every 5km to 10km radius,, eventually the party will increase the stock as the sales will grow. If the party fails to do so, company has the right to open any other NC in the particular area by informing to the existing party. For opening any NNC there is no limited area, so can be taken by any of the Striker to give services to his/her team.
8. If any NNC/NC would like to surrender the center (only those registered under refundable clause), the same should be done with a prior written notice of 90 days and it can only be applied after successful completion of 1 years of actively running the center. The center will be refundable only if none of the RP is distributed, or if no offer has been availed in this case, the company will deduct the following:
 - > The price of goods received in salable condition if refundable.
 - > GST / Taxes paid if any on the goods delivered to the centre.
 - > 10% handling charges.
9. Last log of stock must be sent to Corporate / Branch Office positively 2 days before the monthly closing date. Monthly Inventory Report to be submitted by 3rd of every month to the branch. The average stock holding for the month must be at-least 80% of the sale, so that the centre can give services to the Striker as per their requirement. The company will communicate for the additional inventory to be held by the centre.
10. Commission will be released only after monthly stock report is received. If sale is more than the stock hold, the commission will not be released for NNC/NC
11. Once the NNC/NC has been approved, the Striker will be eligible to run the Centre by taking the stock for the deposited amount within 30 days of approval. If the Striker does not fulfil the formalities within time frame, it will be assumed the Striker is no longer interested in opening the Center.
12. The NNC/NC must have a Printer, PC and other necessary things to operate the office.
13. To approve or close any NC to open any additional centres in metro city, decision will be by the company's prerogative.
